

BOB LOTSPEICH MEMORIAL SCHOLARSHIP

Bob was an active member in the Archie community. He loved giving back to the community and did so by working with and mentoring the youth, lending a helping hand in any way that he could and letting people know that they can make a difference in the town of Archie.

Bob was an avid leader for the community and donated a great deal of his time and effort into bettering the town of Archie. Some of the ways in which Bob contributed to the community were by helping the Boy Scouts build the Veteran's memorial in Hodges Park, donating time to make improvements to the Archie School and providing work opportunities for students in need. But most importantly, Bob was a diligent leader in providing the community with the Archie Sports Complex.

The Archie Sports Complex was a dream of Bob's for many years. He not only donated his personal time laboring on the track; he rallied the community together to raise funds as well as volunteering their own time to make this dream come true.

In Bob's memory a one-year scholarship in the amount of \$500 will be awarded to one graduating high school senior from Archie High. To be eligible for this scholarship, you must enroll in an accredited college, university, or tech school.

Selection criteria for this scholarship includes: academic achievement, and participation in student, school, and community activities.

Please submit your application along with an essay. The essay needs to be 500 words or less and should describe the importance of giving back to the community along with how you have or plan to give back to the community.
