## ERWIN L. McCOY & CLEO M. McCOY SCHOLARSHIP

The Erwin L. McCoy and Cleo M. McCoy scholarship was first given to graduate(s) of the Archie R-V graduating class of 2003. The scholarship was made possible by a bequest of \$100,000 from Cleo McCoy to the Archie R-V School District. The interest earned from the bequest will be awarded in the form of a scholarship(s) to a student(s) who is enrolled in an accredited four-year college or university, and who shows the capability of achievement in furtherance of their education. The scholarship may be used for the same student for one or more years and/or for several students. The scholarship(s) shall be granted to male and female students regardless of race, creed, color, or religion.

Archie graduates who are interested in the scholarship must submit an application to the superintendent's office by April 15 each year. The amount of the scholarship(s) awarded will be based upon the yearly interest that is earned on the \$100,000. Students who are awarded the scholarship and wish to be considered in subsequent years for the scholarship must reapply each year that they want to be considered for the scholarship. Payment of the scholarship will be in the form of a check to the college or university where the student is enrolled.
