Veterans of Foreign Wars (VFW) Scholarship

10 Dec 2016

Hello,

I am attempting to contact Cass County High School seniors related to a \$500 academic scholarship from Cass County Memorial VFW Post #4409 in Harrisonville, MO.

I am emailing a copy of the application along with this letter. If you could forward this information to your qualifying seniors, we would appreciate it.. (The qualifying veteran does not need to be a member of our post, but does need to be eligible to join. If there are any questions of these requirements, they are available online under "VFW ELIGIBILITY")

I will be the contact person. The completed application should be **mailed to me** so it will arrive no later than 15 April 2017.

Please encourage the senior to not leave anything blank. (We have provided check boxes for their convenience.) Incomplete applications will not be considered for the scholarship.

Please let me know when you receive this information via 816-916-2666 or njsfamilywellness@gmail.com

Thanks again for your assistance.

Norma Baldrige
